

# **Apartment Fires happen every 36 hours. Yours could be next!**

*Take the first steps in making your property safer!*

The Orange County Fire Authority (OCFA) and AAOC have teamed up for a special pilot program in Buena Park, Rancho Santa Margarita and San Juan Capistrano.

If successful, this program could mean fewer fire inspections and related fees in cities throughout Orange County, while providing a safe apartment community for your residents!

If you own property in one of these cities, all you have to do to get started is sign up at [www.ocsafeapartments.org](http://www.ocsafeapartments.org) or call **(714) 573-6704**.

And for news up to the minute, don't forget to sign up for the OC Safe Apartments "Latest News and Blog" found at the same above link. We highly encourage you to join!
